QUESTIONS PRESENTED

(Restated to conform to the facts found in the decision below).

1. Whether the First Amendment allows public schools to punish students for displaying messages off school property, at events not sponsored by the school or supervised by the school, when a school official deems the message contrary to school policy even though there is no disruption of the educational process.
2. Whether the court of appeals properly denied qualified immunity to a public high school principal who violated clearly-established law under the First Amendment by suspending a student for constitutionally protected speech, off-campus, that Petitioners admit did not disrupt or interfere with school activities.
